Churchill Academy

EASI

PARENT/CARER GUIDE

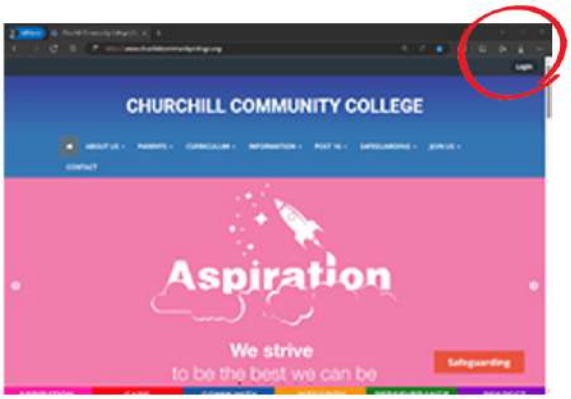

What is Easi?

A central place for you and your child to check important day-to-day things relevant to their student life at Churchill Community College.

EASI allows you to:

- Check what homework your child has, when it's due and a link to any instructions in google classroom.
- See how many house points they have earned
- See any behaviour sanctions that have been issued
- See any detentions your child may have
- Open emails
- Access revision materials external learning websites
- Open all Office 365 programs, such as Powerpoint, Word, Teams and OneDrive

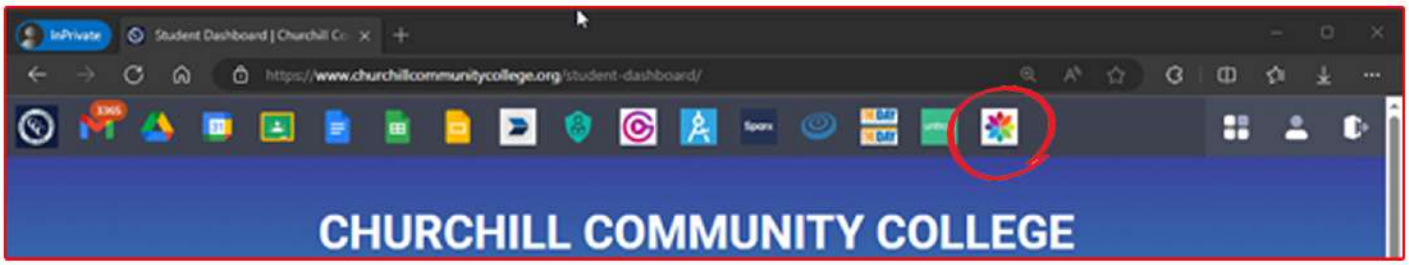

Logging in – step by step
On a computer (in school or at home), or on a phone:

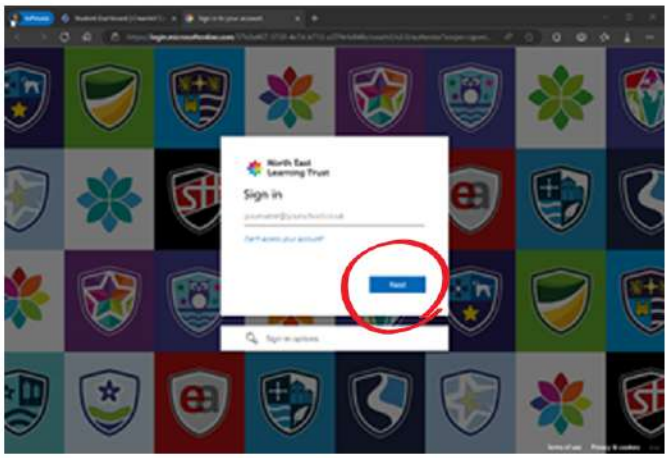

1) Open a webpage by using Chrome or any web browser. Access the school website **https://www.churchillcommunitycollege.org/**

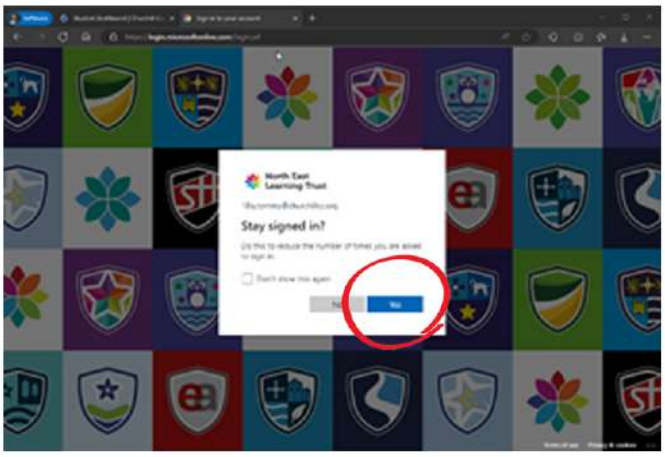

2. Your child should log in, using their school username and password. If the Realsmart login appears, they should enter their email address and password again.

3. Click on the Easi logo on the toolbar

4. Sign in using your school e mail address and then click on Next. Then click on YES to stay signed in.

Top tip!

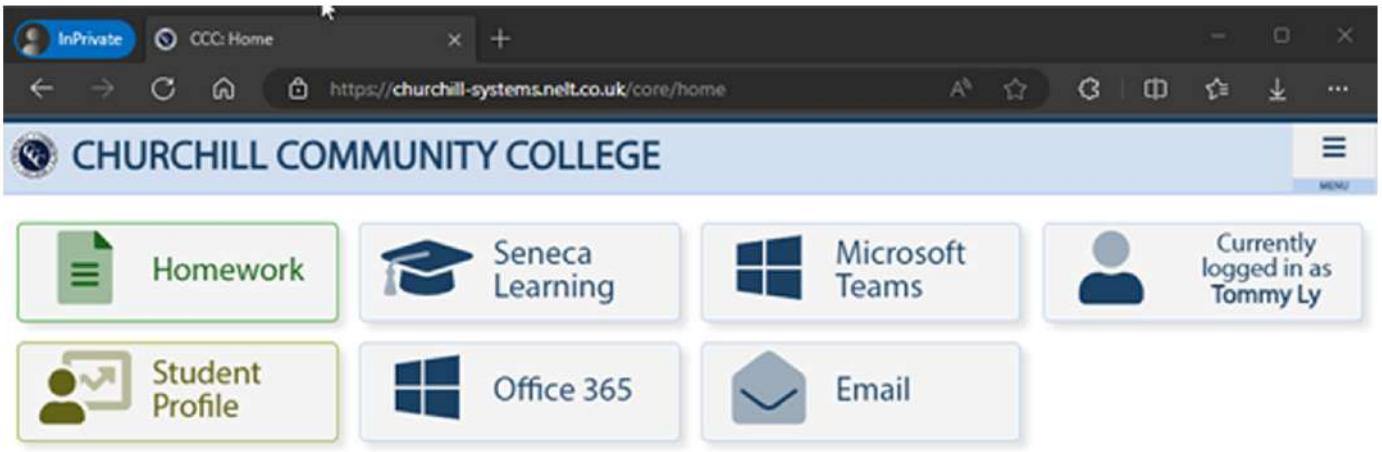

You can also create an app-style shortcut on your phone to quickly get into EASI:

- On your phone, on safari go to **https://churchill-systems.nelt.co.uk/core/home**
- Tap the ‘share’ icon at the bottom of your phone

- Tap ‘add to home screen’ – this will create an app-style shortcut
- Type a name (Easi) and then tap ‘add’ button.

The EASI homepage

This is what you will see once logged in – clicking each button takes you to the relevant section where you will find more detail. Here is a brief summary:

Homework: See what homework your child has due, missed and completed.

Seneca Learning: A free revision site. Teachers sometimes also set homework on here, but full instructions will always be given in the ‘Homework’ section.

Student Profile: This allows you to see your child’s classes, house points, consequences and other details.

Office 365: This will take you to a suite of free programs, such as OneDrive (for saving work), Teams (for homework instructions and submitting some homework) and Powerpoint/Word (for completing some work).

Email: You can see what emails have been sent and received here

NOTE: We will constantly look to evaluate the homepage so that students and parents can use it effectively. These buttons may change as EASI evolves.
